FREEDOM OF INFORMATION ACT 2000

TOSTOCK PARISH COUNCIL PUBLICATION SCHEME

As well as responding to requests for information, the Parish Council is committed to publishing information proactively. The Freedom of Information Act 2000 requires every public authority to have a publication scheme, approved by the Information Commissioner's Office (ICO), and to publish information covered by the scheme which sets out the Council's commitment to make certain classes of information routinely available, e.g. policies and procedures, minutes of meetings, annual reports and financial information.

Below is the Tostock Parish Council scheme which follows the model version provided and approved by the ICO.

Should you require information which does not appear to be covered by the scheme and is not listed below then please do not hesitate to request it from the Parish Clerk whose contact details can also be found below.
